

Spiritual Adoption Program

Dear Parents,

As you know, we began the Spiritual Adoption Program back in October for Respect Life Month. This program has helped us create a better awareness of the significance of Life at all stages of development in the womb. The students, as participants, have been praying a brief daily prayer every morning at school for an unborn baby that they spiritually adopted and named. Every month the students have been given updates on the development of the baby. As we are drawing near to the end of the program, we will be celebrating this new life with a Baby Shower. We are asking you to please participate by purchasing a baby item or items as a gift for the baby. We will be collecting these gifts at school and then delivering them to the Respect Life office in Miami. These items will go to expecting mothers in need.

We will be placing a playpen at the entrance of the St. Joseph building to collect the gifts. Please place all unwrapped (in regular packaging but not giftwrapped) baby items inside the playpen throughout the month of May. On May 25th we will be celebrating the baby shower with cake during both lunch times at school. We will be delivering the gifts to the Respect Life office as a Mothers' Day gift for these new moms.

We began this program during the month of the rosary (October) and we will be celebrating this baby shower during the month of Mary (May). All the while, our Blessed Mother has accompanied us along this journey of the celebration of life. Thank you for helping our children to grow in their awareness of, and appreciation for, all life that God has so lovingly created.

*Sincerely,
Holy Rosary - St. Richard Catholic School
Moms' Prayer Group*
