

2016-2017 Angel Hours

Dear School Families,

May the Peace of the Lord be with You!

As Christians, service to our communities is an integral part of our daily lives. This is a reminder that school families are required to volunteer 20 family angel service hours per school year. Five Angel Hours can be used as donated goods and the remaining fifteen hours must be acquired through volunteer hours. The angel hour card can be verified by the office, or event supervisor. This is a sampling of the activities available for angel hours. If you have special talents, gifts, and/or services to offer, please feel free to contact the school office. Volunteers need to be fingerprinted and Virtus trained.
